TATNEFT GROUP
Tyre Business Divison

TATNEFT

IKON TYRES

TATNEFT IKON TYRES

First advertising campaign for BARS Tyres (TATNEFT Group | Tyre Business Division)

Responsibilities and Contributions:

– Launched the first nationwide advertising campaign for BARS tyres across Uzbekistan, overseeing digital activations, influencer partnerships, DOOH placements, event organization, and content production.

– Participated in collaborations with ADM Global brands (Chery, KIA, Haval and others), contributing to the introduction of BARS tyres into automotive dealership networks across Uzbekistan.

– Organized exhibition activities and product showcases to strengthen brand visibility and support dealer integrations.

TATNEFT IKON TYRES

First advertising campaign for BARS Tyres (TATNEFT Group | Tyre Business Division)

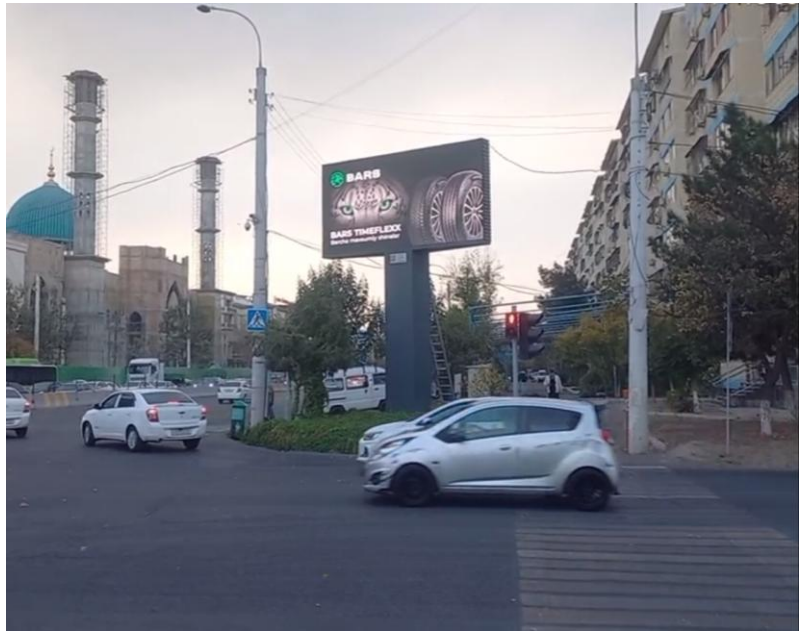

Responsibilities and Contributions:

– Led the development and launch of original content for social media, ensuring consistent brand communication and creative direction.

– Coordinated influencer and blogger campaigns while managing the overall content strategy.

– Maintained communication with TATNEFT HQ, aligning all marketing initiatives with corporate standards and strategic objectives.

– Supported the opening of the first BARS retail store in Tashkent and the launch of the brand’s official website.

TATNEFT IKON TYRES

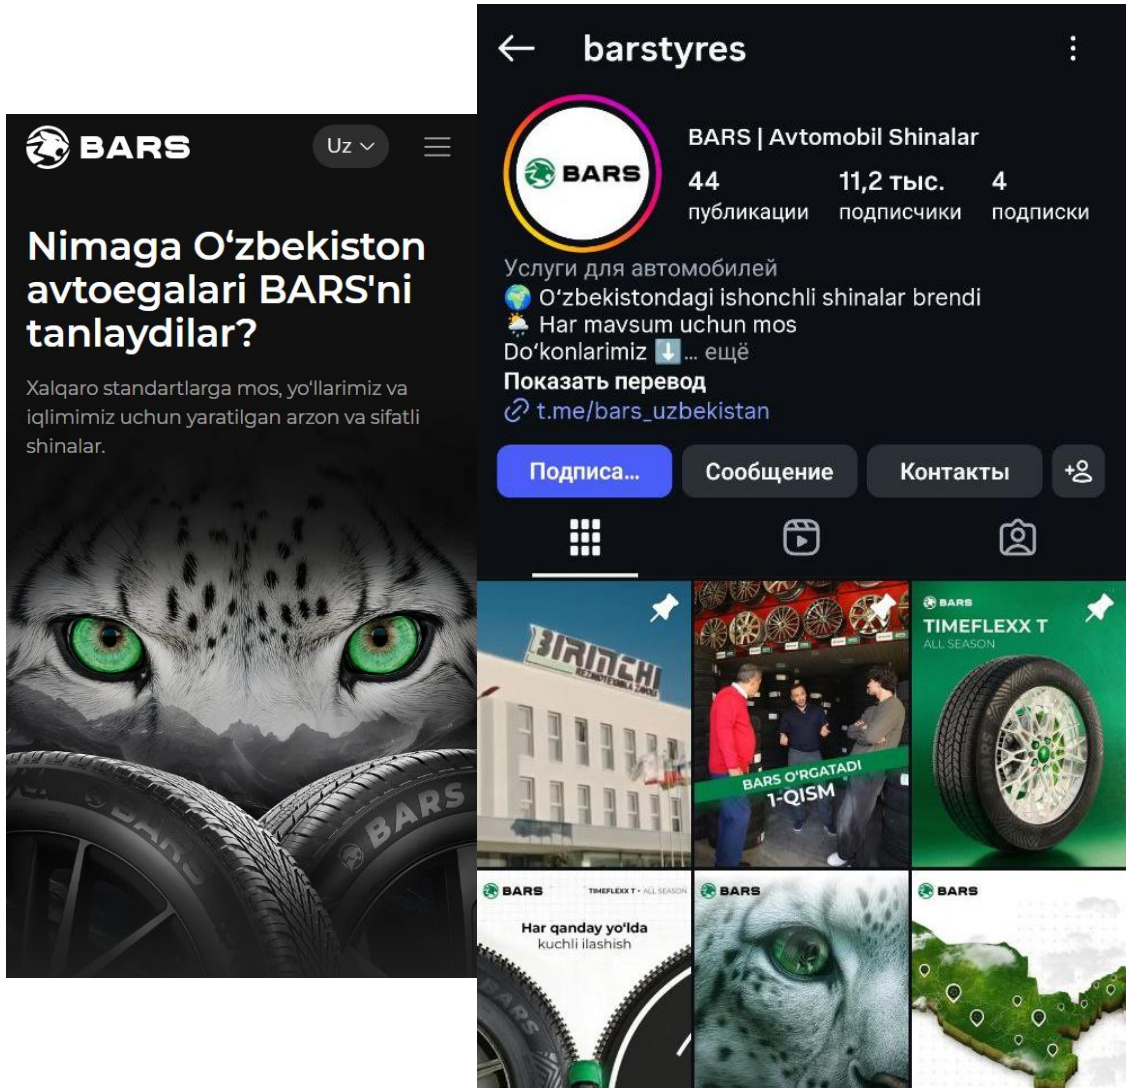

First advertising campaign for BARS Tyres (TATNEFT Group | Tyre Business Division)

Results:

– Contributed to the successful rollout of the brand’s first national campaign, increasing awareness and strengthening market presence across Uzbekistan.

– Enhanced partnerships with major automotive brands and supported the entry of BARS tyres into local dealership networks.

– Expanded the brand’s digital footprint by launching the official BARS website, establishing a consistent content system, and surpassing **10,000 Instagram followers** – demonstrating strong audience engagement.

PUBG Mobile National Championship 2024

Event Operations & Project Coordination for PUBG Mobile National Championship 2024 (UCA)
(Project-Based Contract)

Responsibilities and Contributions:

– Participated in the organization and on-site execution of the PUBG Mobile National Championship 2024 as part of the event operations team.
– Coordinated contractors and technical specialists, ensuring timely task completion and adherence to quality standards.
– Oversaw key operational processes, including venue logistics, security coordination, and real-time monitoring of potential conflict situations during the event.
– Managed the setup and supervision of technical infrastructure, including electrical systems, CCTV camera installation, video equipment, and other essential components.
– Facilitated communication across teams, monitored workflows, and supported issue resolution throughout the event.

Results:
Contributed to the successful and safe delivery of the championship, ensuring stable technical performance, well-coordinated operations, and full compliance with production and security requirements.

Build Your Dreams
Megawatt Group

Marketing Leading for BYD (Megawatt Group)

Responsibilities and Contributions:

– Led the marketing department, overseeing task planning, timelines, and quality control.

– Managed external agencies and contractors across the full cycle – from briefing to final performance evaluation.

– Coordinated communication with BYD headquarters in China, aligning marketing activities with brand and corporate standards.

– Developed and executed monthly media plans across offline and digital channels.

– Supervised content production: idea generation, coordination, approval of materials.

Marketing Leading for BYD (Megawatt Group)

Responsibilities and Contributions :

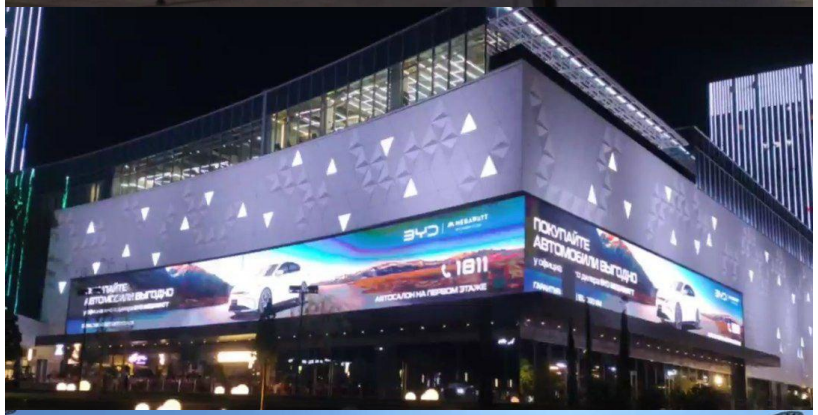

– Managed outdoor advertising, events, promotional activities, and collaborations with influencers and media.

– Conducted marketing performance analysis using CRM and analytics platforms, delivering reports and improvement recommendations.

– Ensured a stable lead flow, controlled key metrics, and regularly optimized performance campaigns.

– Aligned marketing initiatives with commercial goals through close collaboration with the sales department.

Marketing Leading for BYD (Megawatt Group)

Results:

– Contributed to the successful launch of the Song Plus Champion – from marketing planning to execution.

– Delivered a large-scale promotional campaign featuring prize giveaways, Amirsoy sponsorship, and full coverage of Tashkent City Mall advertising inventory.

– Coordinated a UEFA-themed cross-marketing campaign and dealership visual branding, strengthening the emotional connection with the brand.

– Developed an integrated sales analytics system by merging CRM and internal workflow data into a unified reporting structure.

Marketing Leading for BYD (Megawatt Group)

Results:

– Updated the format of vehicle presentation sheets (design + content), which was approved by the headquarters as the unified standard for all dealerships.

– Participated in developing an internal referral program to increase sales and customer engagement.

– Organized cross-marketing activations with MacBro, enhancing brand visibility and driving traffic growth.

– Ensured full brand compliance during the visit of the company's founder and the official delegation from China, managing all marketing aspects of the event.

CHEVROLET
UzAuto Motors

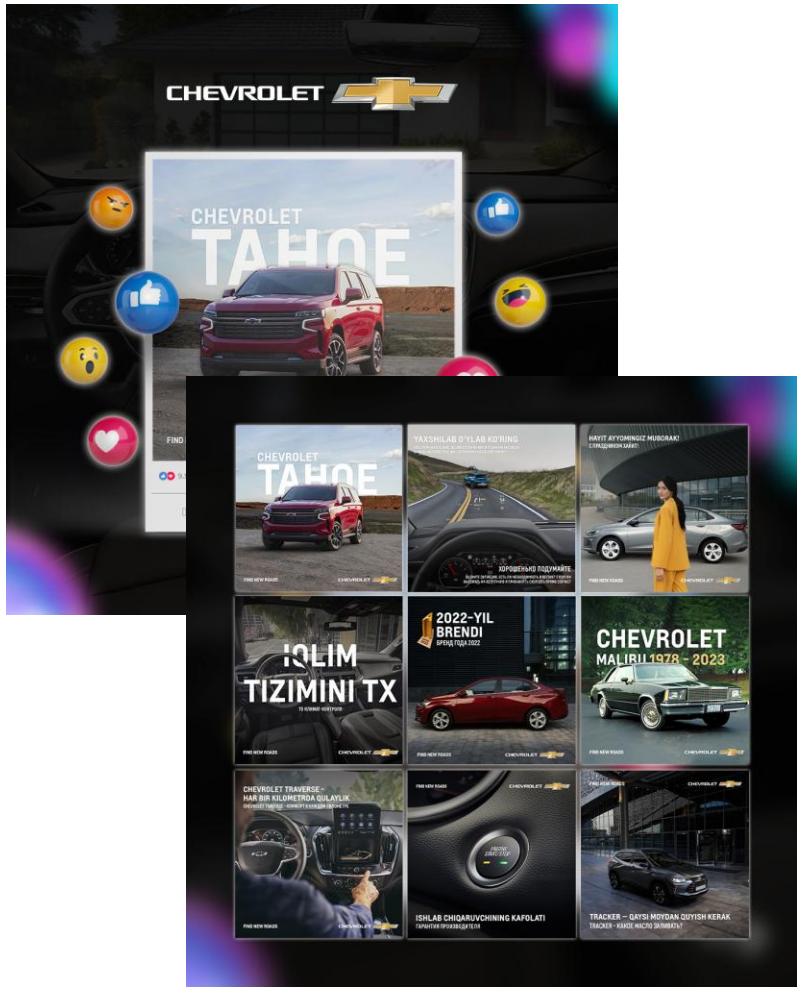

Digital Marketing for Chevrolet (UzAuto Motors)

Responsibilities and Contributions:

– Contributed to the development of an updated visual style for the brand’s social media presence.
– Created a digital promotion strategy tailored to local audience behavior and market specifics.
– Led the setup and launch of targeted advertising campaigns aimed at increasing reach and engagement.
– Fostered positive communication with the audience across social media platforms.
– Worked on enhancing brand loyalty and strengthening Chevrolet’s digital reputation.

Results:
Strengthened Chevrolet’s digital presence, increased reach and engagement, and achieved strong performance across key campaign metrics.

NBU BANK

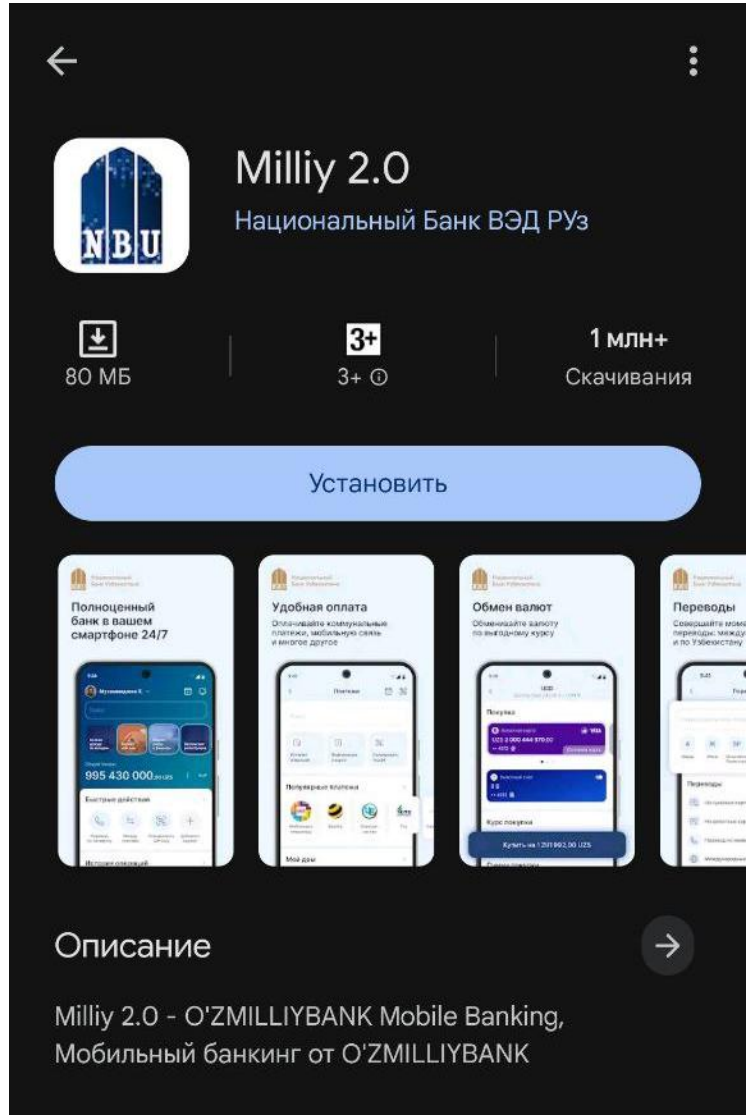

Comprehensive Marketing Support for Milliy App (National Bank of Uzbekistan)

Responsibilities and Contributions:

– Contributed to the development and execution of the digital marketing strategy for the Milliy App mobile product.
– Designed the visual identity and unified social media style for the app.
– Developed the content and engagement strategy for social platforms.
– Managed user communication, including feedback handling and loyalty improvement initiatives.
– Organized online activations and contests to increase engagement and sustain user interest.
– Coordinated advertising campaigns, including contextual and targeted ads focused on app installs.
– Prepared and announced the launch of Milliy App 2.0 featuring a new interface and improved functionality.

Results:
Successful launch on Google Play and the App Store, full achievement of installation and reach targets, over 1 million downloads, and strong user ratings (4.6 average score).

ASAKA BANK

Asakabank

Comprehensive Marketing Support for Asaka Bank

Responsibilities and Contributions:
– Managed end-to-end marketing and PR activities for the bank across key projects and campaigns.
– Contributed to the design development of a new Mastercard card line featuring elements of Uzbek cultural heritage and Silk Road symbolism.
– Supported the bank’s 25th anniversary rebranding through online and offline activations, communication planning, and media support.
– Participated in the launch of Asaka Bank’s first co-branded Mastercard, including PR communications and promotional activities.
– Oversaw the bank’s digital reputation management: social media presence, customer feedback, and content strategy.
– Developed scripts for promotional videos, coordinated production, and aligned visual deliverables with brand guidelines.

Results:
Strengthened Asaka Bank’s digital presence, increased audience engagement and reach, and secured a highly positive customer response to the new Mastercard card line. The visual style of the cards was recognized as effectively reflecting national identity and cultural heritage.
